No word, of course. I'll ping Paul Neuman again. This is ridiculous.

Hi John:

Not sure if you received this last week. I need to get this release out today. Are we able to get Paul's quote approved?

Thanks,
Kim

Hi John:

Stephanie from your office asked me to send this to you since she's out sick today. Could you possibly get Paul to approve the quote I drafted for him on this release, or provide any changes? We're trying to get it out ASAP with the pix we took of him at the store's 30th Anniversary celebration last night.

Thx!
K
